North Hills Genealogists is dedicated to providing education and instruction in accepted methods of genealogy to its members and the general public, developing family history researchers, promoting the preservation of genealogical records of the North Hills of Pittsburgh, and supporting the genealogical interests of the Northland Public Library.

Membership is \$15 per year. Benefits include monthly newsletters (except December and July) which is indexed in PERSI. It includes extensive articles to help you find resources, tips on how to do better genealogy, announcements of upcoming genealogical events, and both member and non-member queries.
